BIKINI BABE BARED

LOSES HER THONG FOR DONG

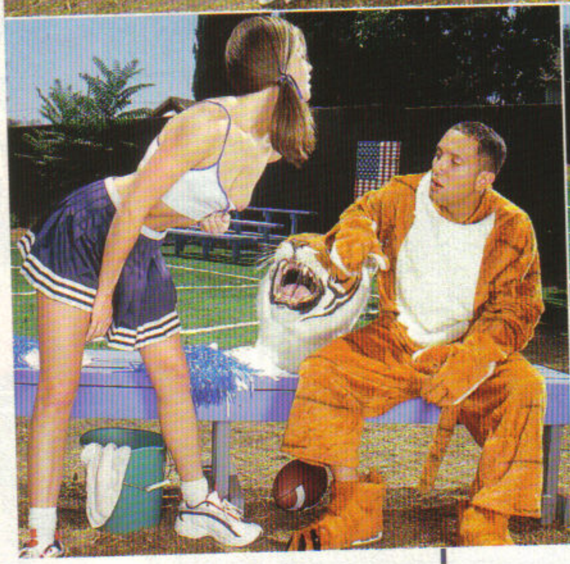
IVEY

When you think of summer, you think of beautiful babes in bikinis. And one of the most beautiful 18-year-old babes we've ever seen is Ivey, so it makes perfect sense to kick off our summertime issue with her bikini-baring layout. Besides, Ivey says, "I think I look really good in a bikini!" Of course, we think Ivey looks even better *without* one. And now that she's old enough to have sex, Ivey would be happy to trade her thong for some dong.



Mandy & Brett

"Gosh, I wish I could have made the team" sighs Brett. "Those guys get all the girls! But no-one wants to go out with a dumb old team mascot!" Cheerleader extraordinaire Mandy sees the despondent Brett sitting alone on the sidelines, and decides she will "spread some cheer" and really make his day. (Or maybe she has just a thing for guys in big, furry costumes.) "Hey tiger, my little pussy needs some pettin,'" she teases. Brett paws the toned teen's tight little kitten until her purrs turn into shrieks of joy. Soon he makes up for all the time wasted on the bench with a strenuous workout of fucking Mandy in every position he can think of. Mandy shows him that she can be a real man-eater too, and gulps down a healthy dose of Brett's pro-*teen* puree straight from the source.
